INDIVIDUAL ARTISTS PROGRAM OVERVIEW
The goal of the Individual Artists Program (IAP) is to discover, nurture, and expand Chicago’s practicing artists and creative professionals.

Through this grant program, DCASE will award project grants to Chicago-based professional artists and creative entrepreneurs over 18 years of age, at all career levels (emerging, mid-career, mature), and working across numerous disciplines. We will support those working in both the traditional fine arts as well as the for-profit creative industries. IAP encompasses support through two different Funding Tracks.

Artists May Only Apply Within ONE Funding Track Each Year:

Track 1 - Creative Projects
Provides project support for practicing artists and creative professionals to develop or create artistic work. Note that all projects must include a public component of some kind (performances, exhibitions, presentations, or publications that are open and accessible to Chicago residents in some way). The public component need not occur during the grant period.

Track 2 - Professional Development
Supports professional development opportunities, projects, and programs related to the career of a practicing artist or creative professional.

There will be two opportunities to apply for Professional Development in 2015. You may only apply for and receive funding one of these two funding cycles.

**IAP Eligibility Criteria**

To be eligible for either Funding Track in the Individual Artists Program, grant applicants must:

- Be a resident of the city of Chicago, Illinois with a valid street address (no P.O. boxes); and
- Be a United States citizen or a permanent legal resident; and
- Be at least 18 years old; and
- Work within one or more of the following disciplines/areas: Visual Arts; Media Arts and Film, Music, Dance, Theater, Performance Art, Interdisciplinary, Literary Arts, Design (includes Fashion, Industrial, and Costume), Culinary Arts, and Curatorial Arts; and
- Be a professional artist or creative entrepreneur. This is defined as someone who:
  - Has specialized training in the field (not limited to academic training; may be self-taught);
  - Is recognized as a "professional" by peers (artists working in the same discipline); and
  - Has at least a one-year history of public presentation or publication.
- *It should be noted that the word "professional" refers to the nature of the artist's commitment to his or her art form as his or her primary vocation rather than the amount of financial remuneration earned from the creative endeavor.*

**Geographic Dispersion of IAP Funds**

DCASE's Cultural Grants Program strives for an equitable distribution of artistic services across the city. One grant award will be made in every Ward from which an application is received. Additionally, when evaluating applications, panelists will be instructed to consider geographic access as one of many review criteria to ensure the support of projects created by or serving residents of Wards which have been historically underserved with little access to arts and culture activities or resources.

**Funding Restrictions:**

DCASE IAP funds cannot be used to support:

- Applicant compensation. Applicants may not use DCASE grant funds to pay themselves.
- Capital purchases, capital improvements, construction, or the purchase of permanent, depreciable equipment (e.g., office/electronic equipment, cameras, musical instruments, amplifiers, stereos, cameras).
- Individuals whose primary residence is outside of the City of Chicago.
- Individuals enrolled in undergraduate college/university studies of any kind.
- Tuition for a degree-based, university-level educational program.
- 2013 or 2014 IAP grantees that have not completed the required Final Report for their funded project.
- An applicant or collaborator on more than one proposed project.
- Applicants seeking funds for projects considered to be hobbies or of a therapeutic or recreational nature.
- Banking fees, PayPal fees, or service fees from crowd funding projects.
- Food or beverage expenses, unless the food or beverage costs are a critical part of critical materials for the artistic project (i.e. Culinary Arts).
- Fundraising events, religious ceremonies or events, or advocacy of specific political causes or candidates.

**NOTE:**

DCASE is unable to pay grant funds to individuals with outstanding, existing debt with the City of Chicago. Please pay off any existing debt (parking tickets, utility bills, etc.) prior to applying for an IAP grant.

**NOTE:**

All IAP grant recipients will be taxed on the amount awarded. The City of Chicago Comptroller’s office will send a 1099 to the lead applicant/artist on each project. Please plan ahead.
GENERAL INSTRUCTIONS/KEY POINTS

• What is a Project?: A project is a specific, connected set of activities, with a beginning and an end, explicit goals/objectives, and a predetermined cost that does not equal the artist's total annual budget for artistic work. Projects may be one-time events, such as an exhibit, or a defined series of events, such as a series of productions or a roster of classes. Projects with multiple components must show that there are cohesive goals that tie the project together.

• Previous IAP Grantees: An artist can receive funding through IAP for up to three consecutive years before he or she is required to take one year off from applying. Note that this rule does not apply to those who received funding from programs previously administered by the City or the Chicago Office of Tourism and Culture. While preference will be given to unique, innovative projects that have not previously received funding, artists working on long-term, large-scale projects may apply to receive additional support for a project previously supported by IAP in 2013 or 2014. In this instance, be sure your 2015 application (1) clearly shows substantial progress of the work since the last application and (2) requests funding for distinct and unique aspects of the project not previously funded by DCASE.

• Collaborative Projects: DCASE will accept IAP applications for collaborative projects and work by collectives. DCASE defines a “collaborator” to be someone who is considered to be a co-owner of the project and a generative part of the team, with some level of artistic control over its outcome. A collaborator is NOT someone who provides services on a “work for hire” or independent contractor basis. Please choose one collaborator or collective member to serve as the main/primary contact for the project. This primary contact must meet all IAP eligibility requirements and play a principal role in the proposed project. If funded, this person will receive the grant funds in their name on behalf of the group and will be required to pay Federal taxes on any amount awarded. Applications for collaborative projects will be required to submit a list of all collaborators and to define the collaboration (Have all collaborators worked together previously? For how long? Is this a new collaboration?)

• Reimbursement: Given the time it takes to review applications, and complete the contracting and payment processes, IAP grants in both tracks may serve as reimbursements for cash expended by the applicant. Note that all grant funds may be used to reimburse the applicant for eligible expenses related to the proposed project from the date the grant period begins. Plan for personal cash flow to cover expenses up front.

• Number of Grants: In 2013, DCASE was able to make 78 total IAP grants, with an average grant size of approximately $3,000 per project. In 2014, 123 IAP grants were given with an average grant size of $4,000. Given changes to the program this year such as the separating of the two funding Tracks, grant numbers and average sizes are anticipated to change. The number of grants and the grant amounts will be contingent on DCASE’s Cultural Grants Program budget for 2015, and will not be finalized until early 2015.

• Artists Affiliated with Non-Profit DCASE Grantees: Artists and creatives affiliated with 501(c)(3) non-profit organizations currently funded by or seeking funding from DCASE through other 2015 grant programs remain eligible to apply for IAP. However, applicants must ensure proposed projects are self-directed and independent from the work of the non-profit organization with which they are affiliated.
HOW TO APPLY

Links to both applications can be found on our website: http://www.chicagoculturalgrants.org

All applicants must apply using our online grants application software program, CyberGrants. Previous applicants can log in using their previously created login information. New applicants will be required to register and create an account upon accessing the system.

Professional artists and creative professionals can apply through an online application system called CyberGrants. The application questions are meant to help artists think through a project from start to finish and provide information about its intended outcomes, audience, and impact on the artist’s career. Read and follow all directions and guidelines to ensure that your application is complete and accurate before submitting. You can save your work and return to complete the application at a later time.

Even though you can type your responses to application questions directly into the online application, it is a good idea to draft your answers in a separate document, then cut, paste, and edit as you complete the application. This will prevent any loss of work due to internet connectivity or other technical issues encountered.

We strongly recommend that you begin your application well before the due date to familiarize yourself with the CyberGrants software system and to address any application parts that you may need further clarification on. We also strongly recommend, if possible, to submit earlier than the stated deadline. NOTE: The Cultural Grants Team will answer questions and help you to resolve all issues to the best of our ability.

Late or incomplete applications will not be accepted or reviewed.

What You Will Need To Apply For An IAP Grant

- A detailed **project description** including timeline, goals and potential outcomes, and (for Track 1: Creative Projects) intended audience.

- A clear and concise **artist statement** and an overview of your history as an artist.

- **Proof of residency**: A Driver's License, State I.D., or Voter Registration Card. Address must be current and match the address on the application.

- A current chronological **artistic resume** focused on artistic achievements, activity, exhibitions, performances, awards, and publications, etc.

- If you are applying with collaborators, a **list of collaborators** and their biographical information and roles within the project.

- **Timeline**: A project timeline or work plan listing target dates and key events that support the project goals. This timeline should demonstrate an applicant's self-initiative to research, plan, and coordinate their project effectively. Within this timeline, applicants are encouraged to budget hours for grant administration, marketing and promotion.

- **Project Budget**: Applicants will be required to submit a complete project **budget for the entire project** (not just the amount of the grant requested) using the template attached to this Guideline Packet.
  - As your project budget is reviewed in conjunction with the narrative portion of your application, please be sure they align. Account for all the project components listed in your project description.
  - The total expenses must be equal to the total income. Please list all sources of revenue/funding, even if they are only anticipated, and not yet secured.

- A recent artistic **work sample** and a description of this work and how it relates to the proposed project. You will be asked to provide your work sample by sharing URLs/web links to images, videos, audio files, etc. The work sample is essential to your application and plays a critical role in helping panelists to evaluate the artistic merit of your work and gain a better understanding of the proposed project. Applicants are encouraged to select their support materials carefully and submit items that are as current as possible and relevant to the proposed project. Work samples do not need to be professionally produced to demonstrate vibrant programming or artistic excellence.
Track 1: Creative Projects
Track 1: Creative Projects

Detailed Guidelines

Goal: To encourage the development of experimental, risk-taking creative projects that seek to advance artist’s careers or expose them to new audiences.

Grant Period: If awarded, all grant funds must be expended by the grantee between January 1, 2014 and August 31, 2014. The project does NOT need to be entirely completed within this condensed time frame, but all grant funds will need to be spent. Ensure that you request grant funds to cover project expenses that will be incurred during that timeframe.

Grant Size: We will accept requests up to $5,000. Grant amounts typically range from $2,000 to $5,000. DCASE may award larger or smaller grants than those requested by applicants based on our available budget, the strength of the proposed work, and the clarity of the submitted budget. Grant requests may only include expenses directly related to the project which will be incurred during the grant cycle period (January 1 – August 31, 2014). Grants will be made in a single, one-time payment following the successful completion of the grant agreement.

NOTE: The funded activities must originate and be completed during the grant period. However, we value the time required for a thoughtful artistic and creative process: the project itself does not need to be completed in its entirety during the grant period.

Priorities:
- Experimental, innovative, risk-taking projects demonstrating a strong and original artistic vision, purpose or theme.
- New work or the expansion of existing work.
- Work that is highly impactful for an artist’s career.
- Emerging artists.
- Increasing public access to and participation in high-quality arts activities/events (especially underrepresented populations).
- Emphasis on the creative process as well as the product/outcome.
- Proposed projects should emphasize: (1) the creative process; (2) skill building or career enhancing activities for the applicant; (3) community engagement and public access to arts and culture.
Track 1: Creative Projects

Additional Details

• **Access to your Project:** Applicants must make their projects available/accessible to the general public of the City of Chicago in some way (e.g., a performance, exhibition, presentation, publication, workshop, or class, a website documenting the project). Each applicant must clearly identify one public presentation of the project in his or her application, with **clear marketing/outreach plans** to ensure attendance/participation. This public component should be imminent, but need not occur during the grant period of January 1 – August 31, 2015. Applications that clearly identify the way in which the public can access the project are most competitive.

• **Touring/Travel:** You may apply for funds to support travel/touring your work outside of the City of Chicago, provided there is an additional opportunity for Chicago residents to experience the project in some capacity. Please be sure to describe the ways in which you will serve as an “ambassador” for Chicago during your travels. (For example: How will you represent the artistic community here? How will this touring opportunity expand your Chicago-based career? Why have you chosen to travel/tour to this location?)

• **Prohibition Against “Double Dipping”** If you are receiving or applying to receive support from DCASE for this work in another capacity (e.g., rehearsal space at the Cultural Center, performance opportunities, exhibition space), note that you may only seek grant support for project expenses not covered by another division of DCASE. If you have questions on this, please contact us prior to submitting your application.

• Projects with multiple components must show that there are cohesive goals that tie the components of the project together.
Review Process
The anticipated review period is January - March, 2015

Eligibility Screening
The DCASE Cultural Grants team will review all submitted applications to ensure they have met the minimal eligibility criteria (residency requirements, all required materials submitted, etc.). Those which do not meet the minimal eligibility criteria will not be moved forward in the review process.

Internal DCASE Grants Committee Review
All eligible applications are initially reviewed by a committee of DCASE staff with extensive, discipline-specific knowledge of Chicago’s artist communities. The strongest applications will move forward in the process to Step 3.

Peer Panel Grant Review
A review panel (“grant reviewers”) made up of artists, arts administrators, art enthusiasts and other experts are selected from a pool of recommendations submitted by applicants. Consideration is given to creating teams with demographics appropriate for each Track and reflective of the city as a whole, including artistic expertise, gender, geographic knowledge of the city, and cultural understanding. The panel is charged with reviewing eligible proposals, discussing project worthiness, making comments, and assigning numerical scores of up to 100 points using the IAP Review Criteria. Individually, each grant reviewer considers the applications in relation to DCASE goals and Cultural Grants Program IAP criteria and in comparison to other applications. Grant reviewers make final funding recommendations to DCASE. The role of the DCASE staff is to facilitate grant panel review and to aid the grant reviewers in finding consensus.

Funding Criteria

Criteria and Scoring
All proposals will be evaluated based on the following criteria:

- Artistic Merit: The professional capabilities of the applicant; the artistic strength, quality, vision, originality of the applicant’s work.
- Potential Impact of the proposed project to advance/further the applicant’s work/career.
- Quality of Proposed Project: The artistic strength, quality, vision and originality of the proposed project.
- Administrative Capability: The feasibility of the proposed project as determined by the applicant preparing and clearly articulating a logical, well-conceived project plan that can be reasonably executed, clear goals, and an accurate budget.
- Public Benefit: The applicant seeks to increase access to and direct participation in high-quality arts and cultural resources that celebrate diversity and foster creativity within Chicago. The applicant targets new audiences.

Why Do Funding Criteria Matter?
Grant reviewers will use the IAP funding criteria to evaluate and score applications. Grant reviewers will evaluate each proposal holistically; commitment to these criteria should thread through your entire application including the narrative, financials and support materials. By demonstrating this commitment, individuals can achieve an exceptional rating in each of the funding criteria areas.
Track 2: Creative Projects
Track 2: Professional Development

Detailed Guidelines

Goal: To support high-quality, unique professional development opportunities, projects, and programs related to the career development of a practicing artist or creative professional. Projects can be focused on developing or deepening artistic, administrative, or organizational skills to become more competitive in the creative marketplace. Unlike proposals within Track 1: Creative Projects, proposals should not be geared towards the creation of a specific artistic or creative project, but should clearly demonstrate how the professional development activities will benefit the applicant and impact the applicant's career for the long-term.

Grant Size: We will accept requests up to $2,500.

Priorities: Opportunities or projects that:
- Focus on career sustainability or audience building opportunities that seek to help an artist become more competitive in the creative marketplace; or
- Align with stage of artist's career and clearly articulate timeliness (why this opportunity would be significant now); or
- Have true potential to positively impact the applicant's career;
- Are unique and not a repetition of the applicant's similar, previous experience; or
- Promote Chicago's artists outside of Chicago, offer opportunities for Chicago's artists to serve as ambassadors for the City.

Grant Period: There will be two opportunities to apply for Professional Development in 2015. You may only apply for and receive funding for one. If awarded a grant within Cycle 1, all grant funds must be expended by the grantee between January 1, 2015 and May 31, 2015. If awarded a grant within Cycle 2, all grant funds must be expended by the grantee between June 1, 2015 and December 31, 2015. Grant funding may only supported expenses incurred during the relevant grant period for the cycle within which you apply. Grants will be made in a single, one-time payment following successful completion of the grant agreement. Your project does NOT need to be entirely completed within the appropriate grant period, but all grant funds will need to be spent within that timeframe. Ensure that you request grant funds to cover project expenses that will be incurred during that timeframe.

Disbursement of Funds: We have re-designed this funding Track to accommodate the quick turnaround often required for registration and participation fees associated with professional development opportunities. We are planning for funding to be distributed within two months of each application deadline.
Track 2: Professional Development

Additional Details
Professional Development grants may be awarded for a wide range of projects.

Examples of Possible Professional Development Projects:
- Travel to and registration expenses for workshops, seminars, booking and other conferences.
- An opportunity to study with a prestigious teacher, mentor or instructor in your field.
- An artist residency related to the development of your career.
- Documentation of previously created artwork, duplication of manuscripts or media for distribution. Consulting fees for professional consultants to assist with business needs such as developing a business plan, marketing plan, website, etc.
- Portfolio development: slides, resumes, audio or visual presentations for funders and galleries, etc. Note: Show a clear plan for portfolio distribution to be most successful with this type of proposal.

Travel/Touring: Applicants may request grant support to support travel and accommodation costs, but must show that costs are reasonable and well-researched.

Projects with Multiple Components: Projects with multiple components must show that there are cohesive goals that tie the components of the project together.
Eligibility Screening
The DCASE Cultural Grants team will review all submitted applications to ensure they have met the minimal eligibility criteria (residency requirements, all required materials submitted, etc.). Those which do not meet the minimal eligibility criteria will not be moved forward in the review process.

Grants Committee Review
All eligible applications are initially reviewed by a committee of non-DCASE experts and DCASE staff with extensive, discipline-specific knowledge of Chicago’s artist communities.

Criteria and Scoring
All proposals will be evaluated based on the following criteria:

- **Artistic Merit:** The professional capabilities of the applicant; the artistic strength, quality, vision, originality of the applicant’s work.

- **Potential Impact:** The proposed project to advance/further the applicant’s work/career.

- **Quality of Proposed Project:** The artistic strength, quality, vision and originality of the proposed project.

- **Administrative Capability:** The feasibility of the proposed project as determined by the applicant preparing and clearly articulating a logical, well-conceived project plan that can be reasonably executed, clear goals, and an accurate budget.

Why Do Funding Criteria Matter?
Grant reviewers will use the IAP funding criteria to evaluate and score applications. Grant reviewers will evaluate each proposal holistically; commitment to these criteria should thread through your entire application including the narrative, financials and support materials. By demonstrating this commitment, individuals can achieve an exceptional rating in each of the funding criteria areas.

Work Sample

Work samples are images, audio files, video files, links, and/or other supporting documents that help bring your work to life for grant reviewers. The work sample is essential to your application and plays a critical role in helping grant reviewers gain a better understanding of your project. Select your work sample carefully. It should be recent and as relevant to the proposed project as possible. Do not submit marketing/promotional materials as an artistic work sample. Such items will be more appropriate as Supplementary Materials (in the Attachments tab).

If you are applying on behalf of a group of collaborators, a work sample that depicts your previous or current collaboration is best. If this is not available, submit a work sample of the lead artist who is submitting the application.

We offer two options to provide a work sample:

1. You may share a link to your work online. This can be your own website, Vimeo, YouTube, Flickr, etc. If you are sharing a link that houses a great deal of your work, please make it clear which specific works we are to view in the "Work Sample Instructions" box below.
2. You may upload relevant file(s). Note that the maximum file size is 10 MB per file uploaded.

**Types of Work Samples:** Depending upon the kind of sample that most applicable based on your artistic discipline, select and provide ONE of the following:
Images - Provide 8-10 images.
- Video – Provide one 5-minute segment of video sample (BE SURE TO INCLUDE CUE TIME in the Work Sample Instructions box below)
- Audio – Provide one 5-minute audio Sample (LABEL CUE TIME)
- Manuscript/writing excerpts/literary work (fiction and non-fiction) - Provide no more than 10 pages
- Poems – Provide up to 6 poems and include titles, year completed and publish dates if applicable

Instructions:
• Please upload attach any files you would like to share for your work sample. Documents can be in any format; however, if you need help converting your file to a .pdf, please see below.

If you would like to upload more than one URL, please type both into this same field below and separate them using a comma or semi-colon. Note any specific instructions panelists will need to access the work sample in the "Work Sample Instructions" field below.

Instructions:
• Please use this box to explain the relationship of the work sample to the application. Include the title of the work, the date the work was produced/made/ performed/published, any other creative professionals/artists/performers involved, the significance of the work for you, and any additional details to help provide context. How does this work relate to your larger body of work? How does it relate to your requested project?

Brief Description of Program (the "Program"):

IAP: The goal of the DCASE Individual Artists Program is to discover, nurture, and expand Chicago's individual artists. Through this grant program, DCASE will award $2,000-$4,000 grants to Chicago-based artists over 18 years of age, at all career levels and working across numerous disciplines. Grants will be provided for professional development, teaching opportunities, and creative projects.
SPECIAL CONDITIONS

You acknowledge and agree:

1) The City Council of the City, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, has appropriated funds to be used for the Program. Pursuant to Section 2-28-030(f) of the Municipal Code of Chicago, the Commissioner of the Department is authorized to award grants to cultural organizations and to individual artists.

2) The City desires to enter into this Agreement with you to provide services under the Program. You represent that you have the institutional, managerial, professional and financial capability to provide services in connection with the Program to the full satisfaction of the City and that you are ready, willing and able to enter into this Agreement.

3) This Agreement will take effect as of the Start Date and continue through the End Date or until the Services are completed or until this Agreement is terminated, whichever occurs first (the "Term"). All Services must be performed within the Term and as more specifically required under this Agreement. "Agreement" means this Grant Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

4) Any payments under this Agreement will be made from Fund Numbers identified above and are subject to the annual appropriation and availability of funds. The "Compensation" is the maximum compensation that you may be paid under this Agreement, without an amendment to this Agreement authorizing a higher amount. The Compensation is reflected in the budget included in the Program application attached as Exhibit A and incorporated by reference.

5) If the City has funds available, and those funds are appropriated for the services/programs covered by this Agreement, then the City, in its sole discretion, may increase the amount of Compensation by written notification from the Commissioner of the Department or other legally designated official, as applicable ("Commissioner") to you and subject to the satisfactory submission of a revised Budget by you and approval by the City in a manner authorized by applicable law. You must submit a revised Budget to the Department, for approval by the Department, reflecting such additional funds, the cumulative Compensation and the revised fund number. Once approved by the Department, the revised Budget will supersede the Budget, attached as Exhibit A. In the event that the City pays you the total amount of Compensation for the Services without providing written notification of an increase in the amount of Compensation, no further payments shall be made under this Agreement unless and until (a) the City has provided written notification of an increase in the amount of Compensation and (b) the City has approved a revised Budget submitted by you.

6) You must comply with all the Terms and Conditions of this Agreement including those found on Exhibit C. You agree to comply with the requirements set forth in the following exhibits which are attached to and made a part of this Agreement. All provisions listed in the Exhibits have the same force and effect as if they had been listed in the body of this Agreement.

Exhibit A Program Application: Budget and Scope of Services
Exhibit B Economic Disclosure Statement and Affidavit (Certificate of Filing)
The signature page to this Agreement follows Exhibit B.

Exhibit C Terms and Conditions
Exhibit D HIPAA Requirements
Exhibits C and D may be found at: ________________

7) (a) The City is subject to the May 31, 2007 Order entitled “Agreed Settlement Order and Accord” (the “Shakman Accord”), and the June 24, 2011 “City of Chicago Hiring Plan” (the “City Hiring Plan”) entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) You are aware that City policy prohibits City employees from directing any individual to apply for a position with You, either as an employee or as a subcontractor, and from directing You to hire an individual as an employee or as a subcontractor. Accordingly, You must follow your own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by You under this Agreement are employees or subcontractors of You, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by You.

(c) You will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual’s political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual’s political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to You by a City employee or City official in violation of Section 7(b) above, or advocating a violation of Section 7(c) above, You will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City’s Office of the Inspector General, and also to the head of the Department. You will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor’s Office related to this Agreement.

8) (a) You acknowledge that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et seq., as amended (“FOIA”). FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If You receive a request from the City to produce records within the scope of FOIA, then You covenant to comply with such request within 48
hours of the date of such request. Failure by You to timely comply with such request will be a breach of this Agreement.

(b) Documents that You submit to the City pursuant hereto during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by You to be treated as a trade secret or information that would cause competitive harm, FOIA requires that You mark any such documents as “proprietary, privileged or confidential.” If You mark a document as “proprietary, privileged and confidential”, then the Department will evaluate whether such document may be withheld under FOIA. The Department, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General’s Office and/or the courts.

(c) You acknowledge that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the “Local Records Act”). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, You covenant to use your best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

CULTURAL GRANTS PROGRAM: CONFLICT OF INTEREST POLICY

The Department of Cultural Affairs and Special Events (DCASE) is committed to integrity and fairness in the conduct of all of its activities. However, as panelists and staff members are expected to be informed, knowledgeable, and active participants in Chicago’s artistic community, conflicts of interest and the appearance of conflicts of interest are natural and may arise. It is the DCASE Cultural Grants Program policy to deal with such conflicts openly. To insure that all grant and decision-making processes are free from conflicts and appearance of conflicts, DCASE will require full disclosure of affiliation and withdrawal from deliberation and DCASE Cultural Grant Program activities where affiliation is present. The following procedures shall be in effect:

DEFINITIONS: When Does a Conflict of Interest Exist?

Panelists or staff members that have “affiliations” with an applicant may have a conflict of interest.

**Affiliations**

A panelist or staff member shall be considered to be affiliated with an applicant non-profit organization if he/she or a member of the immediate family is or has been:

- A director, officer, trustee, or employee currently or at any time in the past, whether or not payment was rendered for services in this capacity
- A paid professional fundraiser or public relations representative within the last two years
