

Collaborative Applications

An applicant may submit an application for support of a project that involves the joint creation of a single work of art or a body of works of art by the applicant and up to two other artists. Only one artist of the collaborative team may be the applicant.

The applicant must play a principal artistic role in the proposed project and is responsible for all legal and contractual issues related to the grant, including taxes. Any artist who indicates they are part of a collaborative team must demonstrate an ongoing record of collaborative work with the collaborating artists as named in the application. All collaborating artists must meet the “Eligibility” requirements listed in the guidelines.
